Career Clusters - All 16 (DVD - English)	Receive a 25% discount when you purchase all 16.	\$1500.00
Career Cluster: Business, Management & Administration (DVD - English)	<p>What do you want to do after you get out of school? It's a question asked many times but sometimes you just don't have the answer. There are so many choices to fit your talents and abilities but how much do you really know about a particular career?</p> <p>So if you're stumped, the Career Cluster Series might be for you! This 16 part series explores hundreds of careers from the perspective of people who know the most about them - the people actually in those fields.</p> <p>Watch and listen as they talk about what they like and don't like about their jobs. They'll tell you about what a typical day is like and what skills you need to do what they do everyday on the job.</p> <p>From architects to zoologists, we take you out on the job. We also include OOH information about these and hundreds of other careers.</p>	\$125.00

Family Guidance Series Products on DVD

TITLE AND FORMAT	DESCRIPTION	PRICE
Blended Families Series - All 4 (DVD)	Receive a 15% discount when you purchase all 16.	\$425.00
My Family Is Changing (DVD - English)	No one likes change, especially when it comes to your family life. But change is sometimes inevitable and this DVD will show you that you're not alone when it comes to dealing with changes at home. Listen as teens talk about real life situations and how they learned to deal with them. Mom and dad divorcing is not the end of your family life, it just makes it something new to deal with. These teens will help you make that first step.	\$125.00
What is a Family? (DVD - English)	Families come in all forms and sizes. Is there such a thing as normal? Is your family really that different? This fast-paced DVD talks to real life teens and hears what they think about families and what comprises them. Sometimes funny, sometimes poignant and sometimes sad, this program will show you that when it comes to families there are no set answers.	\$125.00
Blended Families (DVD - English)	Families come in all shapes and sizes and everyone needs to participate to make them work. Sometimes we create new family situations and hope they will work, but it takes effort. This DVD talks to real life parents and children as they discuss what it takes to make a blended family work.	\$125.00
Bonding with Step Children (DVD - English)	Families come in all shapes and sizes and everyone needs to participate to make them work. Sometimes we create new family situations and hope they will work...but it takes effort. This DVD talks to real life parents and children as they discuss what it takes to bond with your step or foster children.	\$125.00

Mastering Learning and Test Taking Techniques (Online - English)	<p>Learning never ends. Whether at work or in class, all people are constantly learning. If you develop efficient and effective techniques for learning, you will acquire more knowledge than those who have not learned how to learn. As a result, you will reach your goals more easily and quickly. Specific skills and techniques can be learned to help increase the ease, rate, and accuracy of acquiring knowledge.</p> <p>Curriculum provided by the Oklahoma Department of Career and Technology Education in Stillwater, OK.</p>	\$300.00
Managing Time (Online - English)	<p>Managing time is a wonderful concept, but for most of us it's easier said than done. If you're like most people, you start the day with good intentions, then feel frustrated at day's end because you didn't accomplish everything you wanted or needed to do. Managing time is a skill that can be learned, and when you have mastered it, you'll be surprised at how much less frustrated you feel at the end of each day.</p> <p>Curriculum provided by the Oklahoma Department of Career and Technology Education in Stillwater, OK.</p>	\$300.00

Planning for a Career (Online - English)	<p>The choice of a career is one of the most important decisions that you can make. However, career decisions are not easy. They result from careful searching and planning. Success in finding a rewarding career will depend on the work you put into a career search. By following the steps in career decision-making and using sources of occupational information, you can create a personal career plan.</p> <p>Curriculum provided by the Oklahoma Department of Career and Technology Education in Stillwater, OK.</p>	\$300.00
The Job Application Process (Online - English)	<p>Finding the right job can be challenging because you must know where to look and how to apply. You must also prepare a resume and a letter of application. Once you have application forms, you must complete them and, if the employer requires, take an employment test. Practice preparing and completing these items will help you in a real employment situation.</p> <p>Curriculum provided by the Oklahoma Department of Career and Technology Education in Stillwater, OK.</p>	\$300.00

Module: Communications Success (Online - English)	Purchase all online programs within this module for a 20% discount. Purchasing all modules gives you a 36.75% discount.	\$500.00
Communicating for Success (Online - English)	<p>You communicate with other people every day. When you share ideas, facts, opinions, or problems with someone, you are communicating. Speaking, listening, writing, reading, and even facial expressions or gestures are all forms of communication. Communication always involves a sender and a receiver and is based on a mutual effort to understand one another. Effective communication is essential in developing successful business relationships with other people. Understanding the communication process will help you to improve your communication skills.</p> <p>Curriculum provided by the Oklahoma Department of Career and Technology Education in Stillwater, OK.</p>	\$300.00
Improving Everyday Life Communications (Online - English)	<p>Communication takes place every day and in many ways. Often, this communication involves people we know, including family members, friends, coworkers, and others. Using good communication skills can help maintain these relationships. Every day also brings with it the opportunity to meet new people and develop new relationships. To take advantage of these opportunities, you need to use specific communication skills. They include knowing how to introduce yourself and others, how to accept compliments, and how to carry on a casual conversation. In addition, developing a personal network will help you expand your circle of friends and acquaintances.</p> <p>Curriculum provided by the Oklahoma Department of Career and Technology Education in Stillwater, OK.</p>	\$300.00

Module: Health and Well-Being (Online - English)	Purchase all online programs within this module for a 20% discount. Purchasing all modules gives you a 36.75% discount.	\$500.00
Alcohol - Use and Abuse (Online - English)	<p>It is estimated that approximately 580,000 young people between the ages of 12-20 are heavy drinkers. When we look at those between the ages of 19-25, this number increases to 2.9 million. While many people see alcohol as a harmless, recreational substance, in fact, it does more damage to individuals, families, and society than all illegal drugs combined.</p> <p>Curriculum provided by Dr. Kitty Harris and Amanda Baker, M.S., both of the nationally-renowned Center for the Study of Addiction and Recovery at Texas Tech University.</p>	\$300.00
Eating Disorders - Cause and Effect (Online - English)	<p>More and more young people are struggling with eating disorders now than at any time in history. With the growing demand on individuals to watch their body size and try to live up to unrealistic images of women and men in the media, it is no surprise that eating disordered behavior is beginning at younger and younger ages, often starting as early as 11. This course is designed to help you better understand the facts about eating disorders and some of the dangers associated with them.</p> <p>Curriculum provided by Dr. Kitty Harris and Amanda Baker, M.S., both of the nationally-renowned Center for the Study of Addiction and Recovery at Texas Tech University.</p>	\$300.00
Gambling Addictions (Online - English)	<p>Gambling has become more prevalent because of the online accessibility to anyone with an Internet connection. Sports have become such high-stakes that players are tempted to throw games to earn extra money. This program address the addiction of gambling, an assessment of the student's own behaviors, the physical and emotional effects of the behavior on the individual and his or her family and friends, and where to go for help.</p> <p>Curriculum provided by Dr. Kitty Harris and Amanda Baker, M.S., both of the nationally-renowned Center for the Study of Addiction and Recovery at Texas Tech University.</p>	\$300.00
